disclaimer

this is a mere demonstrative
potential rebranding, none of
the present elements are final
and are intended as a
student's practice exercise.

wildvillaexperience

is a blend between the finest,
most exclusive experience
and a family-like atmosphere,
in complete harmony with
the territory that
comprehends both Lake
Como and the forest.

the rebrand of the logo itself
accentuates the both worlds
that collide in this experience.
elegant and refined typography
is accompanied by warm and
organic graphics.
